

RESOLUTION NO. 2005-46

A RESOLUTION OF THE LODI CITY COUNCIL APPROVING SPECIFICATIONS AND AUTHORIZING PERIODIC ADVERTISEMENT AND SOLICITATION FOR BIDS FOR 600-VOLT INSULATED ELECTRICAL CABLE AS REQUIRED BY THE ELECTRIC UTILITY DEPARTMENT PROJECT REQUIREMENTS, AND FURTHER AUTHORIZING THE CITY MANAGER TO AWARD PURCHASES OF \$25,000 OR LESS FOR 600V INSULATED ELECTRICAL CABLE THROUGH FISCAL YEAR 2005-06

WHEREAS, the Electric Utility Department currently has requirements for nearly 12,000 feet of #500kcmil insulated stranded aluminum conductor for projects on East Turner Road and at Vintner's Square on Lower Sacramento Road; and

WHEREAS, future jobs are expected to require 600-volt insulated copper and aluminum conductor in various sizes and quantities, and since the jobs frequently are "fast-tracked," procurement of equipment in a short period of time is often necessary; and

WHEREAS, staff recommends that the City Council grant authorization to bid requirements as needed and allow the City Manager to make awards of \$25,000 or less in order to significantly reduce procurement time.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby approve the specifications for 600-volt insulated electrical cable, authorizes periodic advertisement and solicitation for bids as needed by Electric Utility Department project requirements, and further authorizes the City Manager to award purchases of 600-volt insulated electrical cable in amounts of \$25,000 or less through fiscal year 2005-06.

Dated: March 16, 2005

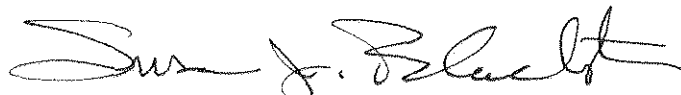

I hereby certify that Resolution No. 2005-46 was passed and adopted by the City Council of the City of Lodi in a regular meeting held March 16, 2005, by the following vote:
